This exploded view diagram illustrates the assembly of the HP LaserJet 1070 printer. The main printer body is shown in the center, with various components numbered for identification. The paper tray assembly (1-11) is shown on the left, including the paper support (1), paper guide (2), paper support (3), paper support (4), paper support (5), paper support (6), paper support (7), paper support (8), paper support (9), paper support (10), and paper support (11). The drum unit (12) and toner cartridge (13) are shown in the middle. The fuser assembly (14) and fuser unit (15) are shown on the right. The paper output tray (16) and paper support (17) are shown at the bottom. The paper support (18) and paper support (19) are shown in the top right. The paper support (20) and paper support (21) are shown in the bottom right. The paper support (22) and paper support (23) are shown in the bottom right. The paper support (24) and paper support (25) are shown in the bottom right. The paper support (26) and paper support (27) are shown in the bottom right. The paper support (28) and paper support (29) are shown in the bottom right. The paper support (30) and paper support (31) are shown in the bottom right. The paper support (32) and paper support (33) are shown in the bottom right. The paper support (34) and paper support (35) are shown in the bottom right. The paper support (36) and paper support (37) are shown in the bottom right. The paper support (38) and paper support (39) are shown in the bottom right.
